IN ADDITION TO FINANCIAL SUPPORT WE NEED:-

We always need very good quality bedding and clothing

Those we seek to help are victims of their circumstances, they were born in a country that needs help. Moldova is the poorest country in Europe and Ukraine, the innocent casualty of war. Either way, they deserve the best we can give.

CLOTHING

Very good quality used or new clothing, summer and winter, Men's, Woman's and Children's.

SHOES

All shoes provided they show very little wear.

There are very few facilities for people with disabilities so we are always on the lookout for Zimmer Frames, Crutches, Walking Aids, Incontinence Pads etc. basically anything to help people with any physical infirmity.

How to help in a practical way

SORTING AT OUR STORE IN EXMOUTH.

We have a fantastic team who regularly help sort through all our donations to make certain everything is of the best quality and then carefully pack into various coloured bags depending on the content and other into boxes.

This may well sound tedious however it is usually great fun and an enjoyable social time together, albeit hard work. At the same time valuable work is being done helping those in Moldova and Ukraine. This is essential and rewarding work.

If you are interested in helping, please ring 01626 891945 for a chat and learn more.

COLLECTING DONATIONS AND LOADING.

Offers of donations are made from many lovely people however some cannot bring this to our store and we need help collecting.

We are VERY grateful to our wonderful landlord who allows us to use the property in Exmouth without charge. This is truly fantastic however we cannot get the articulated truck to the door therefore when loading everything has to be carried by hand to the lorry. If you are fit able and willing to help please let us know.

If you are able to collect donations or interested in helping load the trucks please ring 01626 891945 to learn more.
